Want to Read saving... Performance and reliability cookies These cookies allow us to monitor OverDrive's performance and reliability. This amount is subject to change until you make payment. The authors try to fix the distance by dipping occasionally into the heads of the characters, but this takes the narrative out of Conquest (Chronicles of the Invaders Book 1) into a sort of rotating third-person PoV, which was hard to follow. Trying to explain this book simply is a challenge but I really really enjoyed it and I'm looking forward to the sequel, Empire, that I t The premise of this book is that an alien race similar to humans has gone around the galaxies conquering planets, and decide to conquer Earth.
