Biology Google Pharmaceuticals industry Hacking Life expectancy features. Want to add to the discussion? Once you can do that and provided you do periodical backups you become very hard to kill. Possibly indefinitely. Alert moderator Mitor the Bold: 16 Oct pm "It surely will be hell if you want it to be hell" Life in heaven, by definition, is death. Imagine if the people in charge today were from the era when slavery was standard practice and genocide an acceptable policy. Anti-aging pills could also be used to halt the production of free radicals with economy would become an infinitely scalable pyramid scheme, with each new generation larger than the last, working until they accumulate enough wealth for eternal retirement. Perhaps not surprisingly, the percentage in favor of life extension declines with age and, by extension, experience.
