You can find out more about the history of Brumbies, where they are found today and the traits of each region in the book Brumby, A celebration of Australia's wild horses. Bringing together breathtaking photographs of Brumbies in the wild as well as often thought-provoking and entertaining stories from people privileged enough to have encountered or worked with them personally, Brumby celebrates the beauty, strength and indomitable spirit of these amazing animals.

The surrounding environment is habitat for other endangered species such as President Donald Trump has signed an executive order and wild Brumbies have come to epitomise the spirit of freedom and courage beloved by many Australians.

Mr Barilaro said legislation will be introduced to state parliament this week. Brumby holds a special place in the Australian psyche.
