A number of studies in both animals and humans suggest that there may be a genetic component to infidelity. It can be an overwhelming source of worry and stress.

There can potentially be many loves throughout your life, but once you lose yo

Jeremy and Audrey Roloff have done a superb job of walking the road of dating to marriage not just as lovers of each other, but as followers of Jesus. She loves books, travelling, and discovering new date ideas. In Attached Levine and Heller use the science of attachment theory to explain these behaviours, helping new couples and those on the dating scene understand what they need from a romantic partnership.
