I had a moment recently when I stopped and listened to what I was saying and how I was saying things to my son. Lots have researched whether homework helps with learning. This is why, In addition to the issue of equal education -- if the school thinks homework is necessary for the education, then it would be wrong for the school to force kids to make the choice between losing out on the same education as others and suffering academically rather than just structuring the education so it can be achieved during the school day, clearly doable -- there are other aspects to discrimination and providing equality.
