Note: Personality: A Topical Approach: Theories in boldface are defined in the Glossary at the end of this book. Breuer discovered a most unusual way to alleviate these formidable difficulties. By now Freud had completed his break with standard medicine, however, and was more self-assured as the leader of an established movement. Table 2 Mean standard deviation of spiritual intelligence and personality. This view is, however, refuted by most later theorists, who do not consider intelligence as an integral part of personality, but rather contend Research intelligence is unrelated to personality or concur with 42 Chamorro-Premuzic and Furnham that intelligence and personality are related, but nonetheless categorically distinct. Subjects Behavioral Sciences. Josef Breuer remarked that neurotic behaviors were always concerned with sex.
