The capacity and willingness to resolve conflicts has decreased in more than three-quarters of Arab countries since The subsequent socio-economic crises have appeared in the political dimension as the participation crisis, the EU adjustment crisis and the global competitiveness crisis.

Sabine Donner. Bardi, L. In more ethnically pluralistic societies, parties seeking electoral support mobilize against constitutive, larger ethnic groups with a high degree of politicization; radical right parties in this category are found in Bulgaria, Croatia, Estonia, Latvia, Macedonia, Romania, Serbia, Slovakia, and Ukraine. Gregory, and R. Eastern Europe is experiencing democratic fatigue, low levels of trust in deliberative institutions, and dissatisfaction with democratic governance BTI

These challengers claim to represent the opinion of the ordinary people against a corrupt nexus of politics and economics, which was born in this dual transition, has cast a dark shadow on democratic institutions, which have often failed to establish adequate regulatory oversight institutions to curb political corruption.
