Thank you, Karen. Different in group setting and new  
environment. I will be showing this video on Monday!  
Theyresorttoaggressivebehaviorsmoreeasily.It'shelpfulforparents  
This left many families with no option but to keep the kids at  
home. Remember that there may be other circumstances at work  
or at home that affect their reaction. These numbers have  
increased in recent years but it is likely that this is more a  
reflection of greater awareness and improved diagnosis than an  
increase in frequency.  
MyaideandIexplicitlyteacheachcenterbytalkingaboutWHATmaterialsare  
content is usually focused on teachers and students, and as  
these two groups will have the largest workload ahead of them,  
that makes sense.
