As such, Wen's assertions regarding the date of the FYSJ and its overall orthographic make-up are tenuous at best. The greatest difficulty a graphologist will encounter examining the composite manuscript of the FYSJ is its lack of any clear demarcation with which to discern the various source manuscripts.

Myheartiswoundedwithsorrow,AndIthinkofourforefathers. We must compare this graph to other graphs located in the same immediate context or, as in the case of the FYSJ, on the same bamboo slip. A basic knowledge of early Chinese script is essential for appreciating the orthographic features embodied in the Small Seal and Ancient Clerical scripts; consequently, in the first chapter I also survey the development of Chinese script starting as far back as the Shang dynasty.
