The Cat's-paw The breath of life is like a cat's-paw. A cat's-paw is a puff of air that scarcely ruffles the surface of still water. A gnat contains this bare breath of life.

Walking the Cats - Photos, Travelogue & Reviews by John & Kristie

TRAVELOGUE. The Cat has been described (accurately) as a genius, good looking, generous, caring and best of all a 'great writer.' The great writer bit is handy.

I hear there is a lost city somewhere near the headwaters of the Rio Platano in Honduran Mosquitia. Refresh and try. Facing me sat a covered girl hiding behind designer sunglasses, her headscarf more fashion statement than religious symbol. YandW. I've realised this a while back but it's even more startling to see and compare in reality how much of a difference time and place makes to one's live and how politics, economics and The Cats Travelogue affect the live of the people in such profound ways To find out more, including how to control cookies, see here: [Cookie Policy](#).
